The deadline for application is July 15. Applications can be submitted after this date. However, chances to get a room will be smaller the later you apply for a room.

REGISTRATION AT THE MUNICIPALITY “BÜRGERBÜRO”

You have to register at the town hall of the city where you are going to live within the first week of your arrival.

Please bring your passport, your residence address (best to be proven by your rental contract), the “Wohnungsgeberbescheinigung” you received from the caretaker (Hausmeister) and sign a form at the “Bürgerbüro” (a branch office of the town hall), next to the tram stop “Plieningen Garbe” (for the ones living near the university. Those living in Ostfildern or somewhere else need to go to the local city hall there!).

OPEN A BANK ACCOUNT

You have to have a bank account at a German bank.

Those who have not opened a bank account at a German bank in their home country, have to open one after their arrival in Germany. We recommend opening the account at BW Bank, which is next to the “Bürgerbüro” at Plieningen Garbe.

The procedure is the following:

- Due to the high number of students who want to open a bank account at the beginning of the winter semester, you have to make an appointment. It only takes a short time to open the bank account.
- You have to bring your registration form of the Resident Registration Office, your passport and the letter of admission
- Ideally, you should transfer the registration fee for enrolment right away (162.80 €)

The address of the bank is:

BW Filiale Plieningen Garbe
Filderhauptstraße 155
70599 Stuttgart
Tel: 0711/124-46240

Opening hours:

Mon to Fri: 9:00 am to 1:00 pm and
Mon, Tue, Wed and Fri: 2 pm to 4:30 pm
Thurs: 2 pm to 6 pm

Fax: 0711/4560712

kontakt@bw-bank.de
<http://www.bw-bank.de>

ACTIVATE YOUR BLOCKED BANK ACCOUNT

If you are a Non-EU-citizen you probably had to open a blocked bank account with Deutsche Bank as a requirement to get a visa for Germany. If this is the case, you will have to activate this account before you can access your money.

Therefore, you have to go to a branch of Deutsche Bank and identify yourself with your passport and your admission letter. The staff there will assist you in filling out the service order.

Please note that your account is blocked. Without this service order, transfer orders or direct debit orders submitted beforehand will not be executed!

The closest branch of Deutsche Bank is in Stuttgart-Degerloch:

Deutsche Bank AG - Filiale Degerloch	<u>Opening Hours:</u>
Große Falterstraße 1	Mo to Fri: 9:00 am to 1:00 pm and
70597 Stuttgart / Degerloch	Mo, Tue, Fri 2 pm to 5 pm
	Thurs: 2 pm to 6 pm

The busses 74 and 76 go there. Get off at bus stop "Pfullinger Straße" or "Wurmlinger Straße".

PAYMENT OF REGISTRATION FEE

Every student has to pay a registration fee, currently 162.80 € per semester. Only upon payment of this fee, you can begin the process of enrolling as a student. You will be required to produce a receipt of payment of the registration fee during the registration process.

HEALTH INSURANCE

All foreign students attending a German university or college must have health insurance. In order to enroll in a university, a proof of current health insurance must be presented. Without this proof, enrolment is not possible. Please note a regular **travel health insurance cannot be accepted.**

The Health Insurance System in Germany

The German health insurance system is characterized by a dual system of statutory health insurance (Gesetzliche Krankenversicherung – GKV) and private health insurance (Private Krankenversicherung – PKV).

Statutory insurance is based on the principle of solidarity meaning that everyone insured pays the same percentage of his income for his or her premium. The current rate is 15.5 per cent on average. Every publicly insured person receives medical care services, the scope of which is determined by the state. The fees for statutory student health insurance are the same at all state insurance companies.

Private health insurance fees are based on income depending on state of health, age and the insurance tariff of the insured so that fees vary for individual insurance holders. The scope of services from private insurance companies is not regulated by the state and is often more extensive than public insurance. Services can also be adapted for each policyholder individually. The insured person first pays all treatment costs. The insurance company will then reimburse the costs upon submission of the bill.

Health insurance for students under the age of 30

Students can insure themselves in one of the two above mentioned health insurance systems. Different conditions apply depending on the reason for the visit, country of origin and the student's age. Generally, the following groups are distinguished:

Students under the age of 30 from EU/EEA countries* or countries that have a social insurance agreement with Germany have to present their European Health Insurance Card (EHIC) from the health insurance company in their country of origin at the enrolment.

Students under the age of 30 from Non-EU countries have to present either a proof of statutory or of private health insurance. Please get in contact with a health insurance provider by email or phone before you arrive in Germany so that he/she can prepare your documents. The final contract can be signed only after arriving in Germany and opening a bank account.

There are many statutory health insurance providers in Germany. The choice of health insurance provider is left for you to decide. As all statutory health insurances follow the rules and regulations set by the government, they provide more or less the same services and levels of cover. You have to budget on a monthly fee of around EUR 85,-. A list with statutory health insurance companies can be found on the city of Stuttgart's website <http://www.stuttgart.de/suche?text=Krankenkasse>. Alternatively, you can contact directly Mrs. Birgit Carrera who works for the statutory health insurance company TK by emailing at birgit.carrera@tk.de. Mrs. Carrera will be available for a personal contact at the Mensa in Hohenheim in front of the info point on September 5, 9, October 17, 31 and November 14 from 11:00 a.m. to 2:00 p.m..

If you decide on having a private health insurance, you can find a list with private health insurance companies here <https://media.1averbraucherportal.de/assets/Liste-Versicherungen.pdf>. Fees for private health insurance are lower than for statutory health insurance (around EUR 35) but usually don't cover as much as statutory health insurances, e.g. all examinations in relation to pregnancy or treatments for chronic diseases which were known before the commencement of the insurance. Please note also that if you are covered by a **private health insurance you can't enroll directly at the university** with the private health insurance proof. You first need to get an **exemption letter** from a statutory health insurance company by

1. obtaining a written confirmation of your private health insurance provider which states that you have a private health insurance and that it provides you with sufficient insurance coverage (minimum insurance sum: EUR 100,000).
2. Then contacting a statutory health insurance provider (see above) and submitting the private health insurance confirmation along with the exemption form (see checklist for enrolment). They will issue the **exemption letter from compulsory insurance that you will need for the enrollment at the university.**

Anyone commencing their studies in Germany with private insurance is not allowed to switch to a statutory health insurer for the entire duration of their course.

Students above the age of 30

All statutory health insurance providers will only insure students below the age of 30. This is because students over 30 are no longer entitled to student insurance rates from statutory health insurance companies. Students above the age of 30 can contact a private insurance company. A list with private health insurance companies can be found here <https://media.1averbraucherportal.de/assets/Liste-Versicherungen.pdf>

ENROLMENT AT THE UNIVERSITY OF HOHENHEIM

All Non-EU students have to **enrol both first online and then in person** at the Office of International Affairs. **Detailed information about both enrolment steps will be given to you by the end of July 2016 by email.**

The personal enrolment will be carried out by the Office of International Affairs on **Tuesday, October 4, 2016, between 10 a.m. and 1 p.m. in lecture hall 4.**

Individual personal enrolment on later dates is also possible during the office hours of Ms. Manca in the Office of International Affairs:

Tue, Thu: 10 a.m. – 12 a.m.
Mon, Wed.: 1 p.m. – 3 p.m.

Important: Please bring the following documents for enrolment

- Admission letter
- Passport with visa reading "zum Studium an der Universität Hohenheim"
- Confirmation of online enrolment
- Confirmation of your health insurance (in case you are already insured)

- Passport size photo (better bring 4, because you need more for other offices) or send a photo (.jpg) by email to studsek@verwaltung.uni-hohenheim.de. Please write your complete name in the subject line of your email
- Receipt of payment of the registration fee (for details please see checklist online enrolment)

Your student ID card will be issued and sent to the Student Information Centre (SIZ) (issuing takes 10 to 14 days) as soon as your enrolment documents are complete and the payment of the administration fee has been received in the account of the University. Following this 10 to 14 day delay, you can then pick up your ID card at the SIZ. Your new Student ID is already valid and ready to use. For each following semester you need to renew and activate the ID again by inserting it to a validation machine in the biology building (opposite to Mensa), after having transferred the semester fee to the university bank account.

ROOM CONTRACT, DEDUCTION AUTHORIZATION FOR RENT

If you have been allocated a room in the student dormitory you'll have to sign a room contract and a deduction authorization form for the rent. Please visit the Housing Department (Wohnheimverwaltung), Ms. A. Muhl, Kirchnerstr. 5 ("AStA-building") to get the necessary forms. If you haven't done that yet, a security deposit of EUR 400,- has to be paid within the first month. Usually you have to pay the security deposit and the rent for the first month already. The following rent payments will be deducted automatically from your account after you have handed in the deduction authorization form with your account number at the housing department. It is not possible to pay the rent in cash!

GOOD TO KNOW

LIBRARY

The Library of the Communication, Information and Media Centre (KIM) of the University of Hohenheim consists of the Central Library (Zentralbibliothek - ZB) and the Departmental Library for Economics and Social Sciences (Bereichsbibliothek - BB). In the Central Library you find books and journals on Agricultural Sciences, Biology and Natural Sciences and the textbook collection for all three faculties. The Departmental Library is a non-lending library. Within a short term loan Hohenheim students and students from the Stuttgart region can borrow media over night or over the weekend at fixed times. Textbooks on Economics and Social Sciences can be found in the textbook collection at the Central Library.

To search for articles and very recent literature, numerous bibliographic subject databases (e.g. Scopus, CAB Abstracts) are available for Hohenheim Campus.

LIBRARY ACCESS

Your student ID-card can be used also as a library card. On the rear of the card you will find the library card number. It consists of the matriculation number and the prefixed number 910 (e.g. UB-Nr. 910310456). A personal registration at the circulation counter in the Central Library is generally not needed.

At the beginning of each winter semester, guided library tours and introductions to the Hohenheim library catalogue take place. By request, tours and introductions in English language can be arranged. We recommend attending one of these events. It will be very useful for your future studies.

INTER-LIBRARY LOAN SERVICE

Some books and journal articles will not be found in our library collections. Books, journal articles and copies from book chapters can be ordered from other libraries via inter-library loan service. Library staff are on hand to assist you with the order. The fee for each interlibrary loan request (book or article) is 1,50 € per item and requires about two or three weeks for the media to arrive at the library.

If you need an article very urgently you can order it through commercial document delivery services, e.g. “subito” (www.subito-doc.de). The costs are higher compared to the inter-library loan service. All subito supplier libraries guarantee a delivery within a maximum period of 72 hours.

For more detailed information on all library issues contact the library staff at the information counters or visit the library's homepage (<https://ub.uni-hohenheim.de>). Various information flyers in English language are displayed in both library parts.

EATING ON CAMPUS

From Monday to Friday the cafeteria (Mensa) provides warm meals from 11:00 am to 2:15 pm.

Usually you can choose between three different meals, one of them vegetarian. Additionally the Mensa provides a “Salad Bar”, “Wok” and seasonal offers. For students prices vary from 2,- to 3,- €. You cannot pay in cash, your student ID has to be charged with money and has to be presented at the till. The charging machines are located in the entrance area of the Mensa.

Affiliated to the Mensa is a cafeteria which offers coffee, tea, soft drinks, snacks, ice-cream etc.

Opening hours are

- during semester: Mo – Thur: 7.30 am – 6 pm
Friday: 7.30 am – 3 pm
- during break: Mo – Thur: 7.30 am – 3 pm

An alternative is the TMS (Thomas Müntzer Scheuer), which is run by students on a voluntary basis (this means that they are always happy about volunteers who want to join!). In TMS you can get fair-trade coffee, hot chocolate and tea and it is cheaper than Mensa. It is open from Tuesday to Thursday between 11 am and 3 pm. You will find it next to the Euroforum, where the language centre is. For additional culinary offers see also: <https://www.uni-hohenheim.de/mensa-cafes>

SPORT

On campus is a sport centre with sports hall, fitness room, open air running track, three football pitches and seven tennis courts. The University sports centre offers many sport courses during the semester (e.g. basketball, fitness, juggling, yoga, football). The public pool of Plieningen can also be used if you register at the sports office in advance. For some courses you have to apply in advance and pay a fee. But most courses are free of charge. The sport program is published each semester (<https://www.uni-hohenheim.de/unisport-en>). In addition students may organise individual courses such as salsa courses or other.
